

How to register for a Wisconsin Wing event that is not encampment:

1. Go to wiwg.campmanagement.com/events
2. Login to the Online Event Registration System.
 - a. If you have previously registered for an event (excluding encampment) then use your credentials to log in.
 - b. If you have forgotten your credentials, use the “What’s my password?” link to reset your password.
 - c. If you have never registered for an event, then click the “New individual registration for Wisconsin Wing Civil Air Patrol” to set up an account. This account is different than an account you may have established to register for encampment.
3. Once you’ve logged in, click on “Individual registration” in the navigation bar.

4. Click on “Individual registration for <Insert Name>

5. Select "Aerospace Education Weekend" to begin the AE Weekend registration.

Please choose a training track. Note minimum attendance requirements for certain tracks.

Save and continue

Note: If you see other events list, do not register for them in the same session as this registration. You would need to finish the AE Weekend registration and then come back in a different session and register for other events.

6. Enter the information on the subsequent screens. Your cadet's (or your) "unit number" or "unit charter number" will be GLR-WI-XXX where XXX is the three numbers of your unit (ex: La Crosse Squadron is "037"). You can get this information from your unit or your eServices record if you don't know it.
7. **Your registration is not finalized until it is accepted by the activity. If the option you registered for is full you will be notified.**

**PLEASE CAREFULLY CHECK YOUR CREDIT CARD INFORMATION WHEN YOU ENTER IT.
REGISTRATIONS WILL NOT BE CONFIRMED UNTIL A VALID PAYMENT METHOD IS ON FILE.**
